HAPPY

LABOUR

DAY

TO BE
SUCCESSFUL, THE
FIRST THING TO
DO IS TO FALL IN
LOVE WITH
YOUR WORK.

-SISTER MARY LAURETTA

Don't ignore workers
As they feed me and you
Irrespective of their contribution
They fend off blues!

A sanitary worker
To that cab driver
All are nothing
But our destiny makers!

As farmer hands
As industrial workers!
They change world!
They keep word!

Had they been away
We would literally die
Its Labour day today!
Please, don't feel shy!

**It is only
through labor and
painful effort, by grim
energy and resolute
courage, that we move
on to better things.**
