*"Every child comes with
the message that God is
not yet discouraged of
man."*

Rabindranath Tagore

RABINDRANATH TAGORE (1913) Nobel Prize for Literature

Popularly known as Gurudev, India's most famous writer and poet was awarded the Nobel Prize in recognition of his work *Geetanjali*, a collection of poems, in 1913. Tagore was also involved in teaching.

In 1901 he founded the famous Santiniketan which later came to be known as Vishwabharati University. Rabindranath Tagore is also the author of India's National Anthem.

Works of Rabindranath Tagore

- A. Tagore first published poem was called 'Abhilaash' and was published anonymously.
- B. India's first Nobel laureate, Tagore won the 1913 Nobel Prize for Literature.
- C. Tagore's literary reputation is influenced very much by regard for his poetry; however, he also wrote novels, essays, short stories, travelogues, dramas, and thousands of songs.

Works :

Gitanjali

- Internationally, *Gitanjali* is Tagore's best-known collection of poetry. Tagore was awarded the Nobel Prize in 1913 for his book 'Gitanjali'.
- Many of the verses in *Gitanjali* are beautiful prayers written after a gut-wrenchingly painful period in Rabindranath Tagore's life, during which he lost his father, wife, daughter and a son in quick succession. His unfathomable pain and unshaken devotion to God are captured in the moving prose-verses of *Gitanjali*, which Tagore dedicated as "Song Offerings".
